Gentlemen,

Nunzio told me yesterday that we were going to sit down today (Tuesday, May 01, 2012) and discuss the EuroVu (Spanski) lawsuit. I have postponed filing of the suit so we can have this meeting. It is 4PM and I have not received a confirmation from Nunzio regarding the time of the meeting. I hope we are still on for today as it is the only day left for us to discuss this matter before it goes to court. Let me know.

Best,

Tony Hoti
